### BACKGROUND INFORMATION

Craven College delivers learning in the community through Education and Skills Funding Agency and project funding – this focuses on local communities within North and West Yorkshire. The Community Engagement & Innovation Officer will liaise closely with community & voluntary organisations to develop demand led provision, ensuring recruitment targets are met and that funding opportunities are maximised in this area.

This post is part of Craven College's ongoing investment in business and community development, working with a successful and innovative team to optimise delivery, prepare for new opportunities and ensure excellent service is delivered to all our customers.

### MAIN JOB PURPOSE

**To develop community provision in designated areas, working with partners to develop adult funded provision ensuring achievement of enrolment and funding targets**

### KEY DUTIES AND RESPONSIBILITIES

This job description is a guide to the duties you will be expected to perform. These may change in the future in line with the strategic direction and development of the College.

- Gather, develop and disseminate community engagement practices that have an impact on inclusion across West and North Yorkshire.
- To perform a skills analysis to identify skills gaps in literacy, numeracy and digital skills within identified communities.
- Support the HoD with developing strategies to support disengaged, disadvantaged, and underrepresented individual and communities across the region.
- Work with wider Adult team (including Tyro Training) to develop and maintain community relationships with key influencers within the community groups, to open up avenues for students to engage.
- To create delivery solutions for the HoD to approve, ensuring contribution is achieved.
- Share best practice in engaging diverse communities.
- To facilitate connection and engagement with community agencies.
- Organising and facilitating inclusive events to promote the College offer.

- Networking with partnerships and local agencies through online forums and events.
- To meet recruitment and income targets for Adult delivery as set by the HoD.
- To support operational delivery of courses within this area in liaison with management.
- To deliver IAG and manage the enrolment process where applicable.
- Follow College HR policy where looking to recruit teachers to deliver within communities.
- To represent the College in appropriate meetings with external stakeholders;
- You will be expected to be fully conversant with the College's range of equality and diversity and safeguarding policies and procedures, to ensure the health, safety and welfare of all learners and staff;
- To participate in the College's appraisal scheme and undertake further professional development in line with the needs of the College;
- Any other duties commensurate with grade and status as may reasonably be requested.
